Athlete Protection Protocol

AS THE PREMIERE ATHLETE SANITATION COMPANY IN THE USA, WE FEEL A RESPONSIBILITY TO ASSIST IN THE RETURN TO COMPETITION. THAT IS WHY WE ARE PRESENTING OUR RECOMMENDED ATHLETE PROTECTION PROTOCOL.

THE BATTLESKIN FAMILY OF PRODUCTS ARE KNOWN FOR THE PROTECTION, PREVENTION AND TREATMENT OF SKIN INFECTIONS.

USED SUCCESSFULLY BY ATHLETES FROM YOUTH TO PROFESSIONALS, BATTLESKIN WILL ASSIST IN YOUR EFFORTS TO RETURN ATHLETES SAFELY TO THE COMPETITION ARENA.

BATTLESKIN IS A TESTED SKIN ANTISEPTIC WITH ACTIVE INGREDIENTS AND ESSENTIAL OILS KNOWN TO PROTECT AND PREVENT VARIOUS SKIN INFECTIONS. OUR PROPRIETARY BLEND CONTAINS 70% ETHYL ALCOHOL, WHICH MEETS CDC.GOV STANDARDS FOR KILLING COVID 19, WHILE HAVING THE ABILITY TO CREATE A PROTECTIVE BARRIER ON THE SKIN.

THE BATTLE PLAN:

SPRAY

10 OZ. SPRAY

- Use before practice or competition
- Aerosol Spray allows for coverage on all exposed skin surfaces (including hard to reach areas)

WIPE

CAN OF 60 WIPES

- Use during breaks in competition and POST competition
- Wipes will help to manage moisture while re-applying

WASH

ANTIBACTERIAL SOAP

- Use post competition in shower
- The "brick" has anti-bacterial and anti-fungal Properties

PRODUCTS MAY BE PURCHASED INDIVIDUALLY OR AS PART OF OUR "PROTECTION PACK" (see attached Flyer)

UFC Fighter Dan Henderson

"I recommend that every athlete apply Battle-Skin before and after every Workout, Game, and Match"

Olympic Wrestler Steve Mocco

"BattleSkin is a must for every wrestler's bag this season. Protect yourself this year from funk and heebie-jeebies; get some BattleSkin"

Dan Pifer, Head Football Coach, Cornell College

"I highly recommend the 'Battle Plan'. It is a great plan of action for all of today's athletes"
